Music to soothe the Soul

Sound & Colour Healing Workshop

Learn how to use Sound & Colour to:

- ♥ Balance and align your chakras.
- ♥ Be centred and grounded.
- ♥ Release blocks.
- ♥ Clear negativity.
- ♥ Clear energy in your house.
- ♥ Bring peace and love into your life.
- ♥ Have a deeper connection with your intuition.

No music experience necessary.

Discover how to enhance your life with Sound & Colour.

Facilitated by Christine Morrison

“Embracing the New” Sound & Colour Healing Workshop

Using Sound & Colour with the energy of the Full Moon, break through your limitations with ease and grace.

Move forward with Sound and learn how to use Sound as a tool to assist you to adapt and stay in the flow of our ever changing world. Through Sound you will have the opportunity to go deep within, assessing all areas of your life, and move through any blockages that present. Surrender to the unknown and receive peace, love and acceptance.

Learn how to use Sound to transmute energy that's no longer any use to you to a higher vibration, enabling to you access ancient knowledge from deep within your Soul.

Welcome the synchronicity back into your life! Join us to celebrate and remember the Angelic being you are. Allow yourself to be treated to this wondrous day of Sound and Colour.

No musical or vocal experience necessary.

Facilitated by Christine Morrison
