

Remembering Who You Are

Sound Healing Day Retreat

Sound & Colour Healing Journey into self

With

Christine Morrison

Musical Alchemist, Sound Healer, Composer, Teacher
A.Mus.A(piano) B.Ed

Christine holds sacred space for you to remember the true divine being that you are. Using her voice and ancient instruments, she guides you home to your Divine Heart and deepens the connection with your Soul, enabling you to remember and activate your true potential, allowing your gifts and talents to be revealed and brought forward into reality and be accessed & used in this lifetime.

Using Sacred Sound, learn how to:

*Release and clear unwanted stress and tension.
Anchor & ground yourself, connecting with the Ancient ones.
Transmute energy with sacred sound & colour
Align all bodies and be in harmony with nature and life itself.
Use your soul voice, and use simple sound healing techniques.
Amplify your potential*

As you connect with the Ancient ones, & the supreme Divine beings of Love, you will feel nourished, cleansed, rejuvenated & energized.

Christine sings in Soul Language - a high vibrational light language that you receive at a deep soul & cellular level, attuning you to the vibration of Divine Love.

Your own Soul Language within will be activated when Christine sings the Universal languages of the universe from higher realms into the now. As she sings your soul, you will align with your True Authentic self, able to dissolve what no longer serves you, and to be in the vibration of ultimate health and potential.

Christine has recently returned from Rennes-le-Chateau in France where she sang in the ancient codes of love that has been held in the land that is now ready to be shared with humanity. She is excited to share this beautiful energy with you.

Christine will take you on a journey with sacred sounds, using voice, colour techniques and ancient instruments.

Come and join us to:

*Feel empowered
Rejuvenate your Soul
Harmonize your body with the vibrational upgrades
Embrace change*

Feel blissful, energized and at Peace.
Be the true authentic you!

Dream your dreams into reality from a new place of power, clarity, love and authenticity, ready to live on an awakened planet in an awakened state – anchored in infinite self love.

As you take the deeper soul journey of a day retreat within, you will experience the depth of your soul, know your truth at a deeper level and embrace the specialness of your true authentic self

As we come together in unity, through our sounds we connect the cosmos with the ancient earth, becoming conduits of unified energy, being an integral part of healing humanity.

All that is required is for you to have an open heart, be willing to change and to embrace the specialness and wisdom of your true authentic self.

As you embrace you, and we come together as one heart, we easily bring change to the world.

Now is the time to remember
Now is the time to activate
Now is the time to step up and do our work
Just being together as one creates peace and harmony in the World.

Come join us and be part of this wonderful healing of self & humanity.

As we heal ourselves – we heal the world!

Bring synchronicity back into your life.
Gift yourself this sound journey of Divine Love & Beauty.

No experience necessary, just a yearning to connect with your heart and to receive peace and love.

Christine Morrison is a unique Musician, Sound Healer, Musical Alchemist, Composer and Teacher, who has been working with sacred sound for 22 years.

Whatever your soul requires, her sounds and music reach it – in a gentle and compassionate way, allowing you to discover your inner talents and knowledge.

Christine travels throughout Australia and Internationally, conducting workshops, retreats, individual sessions and concerts. Through the universal languages of sound, music and colour, she helps people know and befriend their own hearts, always with great gentleness and compassion.

Her guiding passion is the joy of supporting other people to make the changes they require, and to connect deeply with the wisdom of their souls and hearts.

Christine is also the founder and director of the “Soul Musicality” Course –Certificate in Sound & Music Healing for the 21st Century - Mastery of the Soul.
